

City Council Priorities Update - September 2011

The City Council unanimously set five priorities at their February 14, 2011 meeting: police station; Stafford area; Hwy. 43/Willamette Falls Drive; communications & outreach; and water infrastructure. They also included four interest areas: recreation center; public art policy; 2013 centennial celebration; sustainability. The attached document provides an update on the progress on these Council priorities through the first quarter since they were adopted.
